

**Grundisburgh & Culpho Parish Council**  
**Minutes of a Meeting of the Council held on the 8<sup>th</sup> January, 2024**  
**in Grundisburgh Playing Field Pavilion**

NOTICES had been posted according with regulations.

Present: - Messrs. G.Caryer, B. Cook, A. Dunnett, J.Dunnett, M. Harris, I. Rawson, M. Rankin, R Youngman, Mrs J. Bignell, Mrs.A.Willetts (in the chair), District Councillor C. Hedgley, and 21 members of the public.

**1. Apologies for absence** County Councillor E Bryce, Mr. R. Garnham.

**2. To receive member's declarations of interest** No declarations were made.

**3. Minutes** The minutes of a Meeting of the Council held on the 13<sup>th</sup> November 2023 had been circulated and were therefore taken as read. It was proposed by Mr. Harris seconded by Mrs.Bignell, to unanimous approval, that these minutes be signed by the Chairman as a true record.

**4 . District Councillor's Report** District Councillor Hedgley's full report is published on the Parish Council's Web Site Home Page - Important Documents <https://grundisburgh.suffolk.cloud/>

Mr Hedgley said that all the villages he represented are fed up with the severe problems caused by recent flooding. He expressed his sympathy to all residents who had been so badly affected. Flood defence is the responsibility of the County Council, and he would pass on residents concerns to County Councillor Elaine Bryce who could not attend this meeting because of illness.

Several Parish Councillors expressed their dissatisfaction and frustration with the County Council's apparent dismissal of their complaints about flooding in their localities. Grundisburgh Corner had suffered 33 days of continuous flooding and despite very detailed reporting the County Council Highways Department response was unhelpful..

- East Suffolk Council have raised a number of key concerns in response to a consultation on proposals for a major energy infrastructure project which could include the erection of pylons to which the council is opposed.
- The East Suffolk Council Cabinet has agreed that an initial proposed Band D Council Tax for East Suffolk Council of £186.57 for 2024/25, an increase of £5.40 or 2.98%, be approved.
- The Police and Crime Commissioner is proposing to increase the policing element of the council tax precept by £13 for a Band D property in 2024/2025.. This follows a substantial increase last year. Mr. Hedgley urged residents to take part in a survey which the Commissioner is conducting. [PCCPreceptSurvey2024 \(Control and click to follow link\)](#)  
Commissioner's [website](#) for more detail.

**5. County Councillor's Report** County Councillor Elaine Bryce's Parish News Letter is published on the Parish Council's Web Site Home Page - Important Documents <https://grundisburgh.suffolk.cloud/>.

**6. Public Open Forum** It was proposed by Mrs. Willetts seconded by Mr. Harris, to unanimous approval, that the formal meeting be suspended, and members of the public invited to address the meeting. The following issues were raised

- **Flooding** Mr. Paul Franklin read a report of a survey he had conducted on the River Lark

*" Since Storm Babet and the consequent flooding in Grundisburgh, I have been walking the footpaths adjacent to the River Lark. Most of river in across private land (farms or gardens). Much of the river is in a poor state of maintenance made worse by debris from the storm.*

*The worst area that I can identify, which I think contributed to the flooding of the Village Green properties, is where the bridle path (Town Lane) crosses the River Lark East of "Basts" OS Grid Ref: 226512. Here, there is a large 60' Poplar Tree growing right in the middle of the river course, another large tree on the edge with its roots in the river and another on the bank (now on its side)*

### **Public Open Forum Flooding cont...**

*These three trees have caused silt and debris to build up reducing the water flow width to a quarter of the original. When I first looked 2 days after the storm the bridge across the river was well under water. There is a brick abutment with a Sorm ? Drain also draining into the river at this point – from the main road ?*

*As a first step the debris needs removing (I am willing to help) and the three trees mentioned need removing to prevent a repeat. Some of the money left in the CIL pot could be used for a JCB and tree surgeons – there could be no better use for this money than protecting the village itself. Clearing individual “bad spots” is just a start. so if access can be arranged by the Parish Council to private properties I would be glad to continue the above assessment along the River Lark,*

Other members of the public made comments on the recent flooding

- The River Lark has not been dredged for many years. In past times rivers and ditches were cleaned more regularly.
- The ditch on Weir Pond Green and the drain under the road need cleaning out and the Pond restored,
- Farmers are not clearing out ditches

Other Issues raised

- The hedge on Lyttleton Meadow alongside the B1079 Woodbridge Road needs cutting. The Meadow is owned by East Suffolk Council.
- The Scouts will hold a meeting in February to explain their vision for their new HQ as Parish Council is prepared to submit the planning application on their behalf
- Rainwater from a new house opposite the Village Hall is directed into the main sewage pipe contrary to regulations. Mr. Hedgley will investigate.

**7. Chapel Field development** Mrs. Willetts reported that there are now 12 properties occupied on Chapel Field and no progress has been made on various highway and Footpath 20 improvements breaching conditions of the planning application which clearly state that no properties can be occupied until these works have been carried out and approved by the local planning authority.

**8. Flooding** Mrs. Willetts reported that Framlingham Town Council were considering commissioning an engineer to carry out a survey to investigate the causes of the recent severe flooding in the town and what can be done to protect Framlingham in the future. She suggested that a similar survey could be conducted in Grundisburgh and Culpho. Mr. Franklin’s survey, which he reported earlier in this meeting, is an excellent start.

General dissatisfaction was expressed in the poor maintenance of our roads which it was felt contributed to flooding with water unable to drain into ditches. With low temperatures forecast, standing water will freeze creating hazardous driving conditions.

**9. Old Forge Stores Forecourt** Mrs. Willetts reported.

Extract from the Minutes of Council Meeting held on the 13th November 2023

*“Mrs. Willetts proposed, seconded by Mr. Caryer, that Grundisburgh and Culpho Parish Council takes the legal advice needed to take over ownership of the forecourt in front of Willow Cottage/Forge Stores. Approved 6 members voting for 2 against.”*

After looking through Katherine Smith’s deeds and sending a copy to a recommended solicitor it is clear that, Mrs. Smith does not own the forecourt of The Old Forge Stores.

Subject: Land fronting The Olde Forge Stores

Good morning

*I have scanned in a copy of Mrs Smiths deeds please see attached.*

*I have seen the original, bound in blue folder which would be available if needed.*

*I hope that the documents will be enough for you to be in a position to advise me as to the approximate costs involved to the Parish Council if we were able to go ahead with Mrs Smiths proposal to gift the forecourt land to the Parish Council.*

*Thank you for your email.*

*My apologies if I have misunderstood, but is the area of land we are concerned with not shown coloured green on the plan to the Conveyance – assuming I have interpreted the plan correctly then the one thing we can know for sure is that, with reference to this Conveyance only, Mrs Smith does not own the land as there is in the Conveyance a right of way granted over that land, and she would not need an explicit right of way if she owned the land itself.*

Eveline Camilla Lambert sold Willow Cottage to Mrs Smith on 23<sup>rd</sup> March 1990

### **Old Forge Stores Forecourt cont...**

The plan attached to the Conveyance shows the forecourt coloured green with the statement “with a right of way over the area shown coloured green”. That right was also extended to the owners of Westholme and Forge Stores.

Miss Lambert made a Statutory Declaration in September 1988 stating “possession of 3 properties Westholme, the Willows and Oakenfull Stores since 10<sup>th</sup> February 1955. Claiming the properties were conveyed to her father John Lambert on 10<sup>th</sup> June 1913. The included plan showed a red line around all the properties including the Old Forge Stores forecourt.

Pastor Colin Grimwood took Miss Lamberts funeral service at the crematorium on 12<sup>th</sup> October 2001. He has no record of her date of death but he remembers she was well over 100. She had lived in a care home in Ipswich for some time. Miss Lambert never married. That date should help in finding any will she may have left.

### The way forward

Mrs. Willetts proposed seconded by Mrs. Bignell, to unanimous approval, that despite the fact that the ownership of the Old Stores forecourt is unknown, and unlikely to be determined, that the Parish Council should allocate CIL funds for its restoration and that this work should be carried out by the County Council’s contractor when the adjoining section of Woodbridge Road is resurfaced. A Highways Officer has agreed that it would be advisable and possible to repair and resurface the forecourt at the same time and would enable drainage issues to be resolved. The County Council’s new highway contractors would be able to give the Parish Council a price for resurfacing the resolved forecourt.

### **10. Planning Report** Mrs. Willetts reported

### **11. East Suffolk Planning Alliance (ESPA) Report**

Rupert Herries – ESPA Administrator provided this update.

The ESPA steering committee met recently and decided to host a first year ‘birthday’ celebration with a ‘panel discussion’. This event will be held on Saturday afternoon, the 17th February 2024 in Grundisburgh Village Hall (from 2:30pm to 5:00pm).

ESPA have attracted an impressive panel of local experts which will be chaired by Julian Cusack (Chair of Middleton cum Fordley Parish Council; member of Suffolk County Council for 8 years in the 1980s and also chair of the Suffolk Coastal Green Party).

The panellists include: -

- Lord Deben. Chair, UK Independent Committee on Climate Change - and previous Suffolk MP.
- Michael Cole Ex BBC Journalist, advocate for Suffolk
- Stephen Molyneux Woodbridge Tide Mill and District Councillor
- Eamon O’Nolan Chair of Deben Climate Centre and Mayor of Woodbridge
- Peter Hobson Professor of Biodiversity Conservation & Sustainability
- Chris Bally East Suffolk District Council - Chief Executive Officer

Mr. Herries invited all councillors to attend.

**12. East Suffolk Community Partnerships** Mr. Caryer reported that there had been little activity during the last three months due to the Communities Officer's illness. However, a meeting was held today and another meeting scheduled for March to discuss the Partnerships priorities.

**13. Annual Parish Meeting** The purpose of the Annual Meeting of the Parish is for the members of the electorate to meet annually and is an opportunity to discuss parish affairs and for village organisations to inform them and answer questions. It must be held between 1<sup>st</sup> March and 1<sup>st</sup> June. The 2023 Meeting was held on the 26<sup>th</sup> May.

Mrs. Willetts said the 2023 Meeting, held on a Friday, was the worst attended meeting she remembers. Residents are reluctant to turn out on a Friday evening and she proposed holding the meeting late May this year – but not on a Friday.

**15.9 Budget Report** attached

**16. Roads & Transport Report** Mr.Caryer reported that no meetings of the Roads & Transport Sub Committee had been held since the last meeting.

Following an appeal for information from other villages who had installed village entrance gates several very useful replies had been received.

**17. Footpaths & Conservation Report**

**Allotment Report 2023** Mr. Rupert Herries report on behalf of the Grundisburgh Allotment Group.

We had our first summer with the two new water tanks in place, and it has been very much appreciated.

A survey of the site was carried out by Judith Bignall, Allen Dunnett and Rupert Herries during the summer. It was generally agreed that most plots were being well maintained although there were a few that were very neglected and uncultivated.

Agreement was made to write to the tenants of these plots to ask if they still intended to keep the plots and if so to please put them in order in accordance with the new agreement which all tenants have signed, or otherwise to let us know immediately if they wish to vacate the plots and make them available to others on the waiting list. As a result some of these plots were vacated, we now have 7 new tenants and the site is much improved.

Two of these plots were so badly overgrown that it would have been difficult to find anyone to take them on, and Barry Garrod cleared them.

Plot 18 was taken by Mr & Mrs Barber in a very poor state and they have transformed it. The hedging along the site had become so overgrown that they were losing space and light. Barry has done a brilliant job this winter clearing it all back.

Councillor John Dunnett had raised concern on several occasions about the state of plot 1 which is visible to passers by on the road below. This is the plot that he maintained to a high standard for many years. However, the plot had become very overgrown and neglected by the time it was occupied by the new tenants. They have cleared it ready for cultivation this year, and have photographic evidence of the state the plot was in when they inherited it.

There is still concern about the entrance path to the site which is steep, narrow and slippery in the winter and presents a risk of falling, both to allotment holders and visitors.

The allotment group would like to thank the parish council for their support over the past 3 years.

Mr.A. Dunnett, Chairman Footpaths & Conservation Sub Committee, said that his committee would investigate making the entrance to the allotments safer. Using matting, mesh, hardcore will be considered also widening the path,

**18. To receive reports from Council representatives to village organisations** No reports received.

**19. Public Open Forum** It was proposed by Mrs. Willetts seconded by Mr. Caryer that the formal meeting be suspended, and members of the public invited to address the meeting. The following issues were raised.

- **Chapel Field Development** No reply had been received from the Highways Authority concerning possible traffic mitigation measures that could be used in Park Road and Lower Road.
- **Folly Cottage** The owner said that he considered that a back up of silt in the tributary of the River Lark which flowed through his garden had contributed to the flooding of his home. He thanked Mr. Franklin for his very valuable survey of the river. Mr. Franklin asked the council to identify the owners of sections of the river which couldn't be accessed by public footpaths and to provide an introductory letter in order for him to complete his survey. Mrs Willetts asked Mr Franklin to supply a map of the areas he had surveyed so that ownership of necessary areas could be ascertained
- **Rose Hill** Mr. Caryer will supply data gathered from the SID when deployed on Rose Hill to a resident who requested it.
- **Grundisburgh Signs** 5 new signs at the entrance to the village needed restoration/or replacement. The County Council's CIL could be used.

**20. Items for next meeting**

Mr. J. Dunnett requested that "The future of Grundisburgh Baptist Chapel" be an agenda item at the next Council Meeting on the 11<sup>th</sup> March.

**21. Co-option** Mr. David Higgins resigned as a Councillor for Grundisburgh on the 19<sup>th</sup> November. As no requests were received from electors claiming an election, within the timescale allowed, the Parish Council now has the authority to fill the vacancy by co-option. A Poster was placed in the Parish Notice Board and published to members of the What's on in Grundisburgh News Group on the 16<sup>th</sup> December asking for residents to submit their applications by the 29<sup>th</sup> February.

**22 Any other business**

**2024 Council Meetings** January 8, March 11, May 13, July 8, September 9, November 11. All meetings will start at 7.00pm
